

TO WHOM IT MAY CONCERN:

Land and Sea Instrumentation Ltd., located at 25 Estates Road, Dartmouth, NS, is recognized by Nova Scotia Labour and Workforce Development as an authorized safety valve repair organization in Nova Scotia.

They have obtained the “VR” stamp issued by the National Board of Boiler and Pressure Vessel Inspectors, recognized as meeting requirements of CSA B51 Boiler, Pressure Vessel and Pressure Piping Code.

Yours truly,

Peter Dodge
Chief Inspector
Manager of Boiler and Pressure Vessels
