

Land & Sea

Quality Policy:

It is the policy of Land & Sea that the organization is committed to:

1. Setting quality objectives that are approved by the General Manager annually as documented in our Quality Manual.
2. Meeting or exceeding the relevant requirements and expectations of our interested parties.
3. Continually improving our Quality Management System.
4. Ensuring that this policy is communicated and understood within the organization.

Top management at Land & Sea has established and implemented this Quality Policy to ensure that it is consistent with the purpose and context of our organization and our strategic direction. It is maintained as documented in our Quality Manual.
